For: COMMUNICATION SYSTEM, COMMUNICATION TERMINAL, SYSTEM
CONTROL PROGRAM PRODUCT AND TERMINAL CONTROL PROGRAM
PRODUCT

APPLICANTS' SEPARATE RECORD OF PERSONAL INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In reply to the November 20, 2007 personal interview, Applicants' separate record of the interview follows. An Amendment for the above-identified application was filed on October 25, 2007.

Applicants thank Examiners Milia and Haskins for the courtesies extended to Applicants' representative during the interview.

During the interview, it was agreed that U.S. Patent No. 7,142,318 (hereinafter "Lopez") and U.S. Patent No. 6,029,182 (hereinafter "Nehab"), in any combination, fail to teach or suggest a printing unit configured to print the Web page accessed by the access unit, as called for by independent claims 1 and 17 and the similar features of claims 30 and 31.

Accordingly, the Examiners agreed to withdraw the rejection of claims 1-3, 6-9, 11, 16-18, 21-24 and 27-32 under 35 U.S.C. §102(e) as being anticipated by U.S. Patent No.

7,142,318 (hereinafter "Lopez") and the rejection of claims 4-5, 10, 12-15, 19-20, and 25-26 under 35 U.S.C. §103(a) as being obvious over Lopez in view of Nehab.

Further, the Examiners agreed to withdraw the rejection of claims 30 and 31 under 35 U.S.C. §101, and agreed that the amendments to the specification and the replacement sheet drawing overcome the objections to the specification and the drawings, respectively.

In view of the foregoing, it is respectfully submitted that this application is in condition for allowance. Favorable reconsideration and prompt allowance are earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,

James A. Oliff
